

JOIN THE MARINE CORPS LEAGUE

Are you one of “The Few”, who has served or is currently serving our Country as a United States Marine or FMF Corpsman? If you are, whether you are active duty, reserve, retired, or honorably discharged, then you will always bear “the title” - you are now and always will be ... a Marine ... and if you’re a Marine, you should belong to the Marine Corps League.

Right now there are about 65,000 Marines and FMF Corpsmen who belong to one of 1,000 League detachments throughout the country, including 50 detachments here in North Carolina. Our Detachment members meet monthly and actively support an annual Toys for Tots campaign and a Detachment Scholarship program. We also conduct a traditional Marine Corps Birthday Ball on or about 10 November each year.

There are no criteria for **Regular Membership** other than honorable service as a Marine or an FMF Corpsman. Our members come from all walks of life and all ranks and eras of service - what they share in common is their heritage as Marines.

Associate Membership in the Marine Corps League (MCL) is open to people who support the league's principles and purposes but are not eligible for regular membership. For more information about Associate Membership, click on the “**Membership Categories**” link on the main page.

Please join us as a guest at our next meeting. Any attire is appropriate - all Marines and prospective members are always welcome at our meetings. If you would like to join our Detachment, you may complete an application form while you’re there, or if you prefer, you may opt to download an [application form](#) or contact one of our Detachment Officers to request one. To complete your application, you will be asked to show a copy of your DD-214 or other proof of your service. Annual dues are \$40.00. Mail your application to:
